DREAM BIG.

ABOUT DEPARTMENT

The main focus of the department is to produce graduates with strong fundamentals in Information Technology domain. There is a distinct entrepreneurial spirit in the students of the department. The department has well equipped classrooms and computer laboratories with high - end systems. Moreover, it has a rich departmental library. The department also has a Student Body named ABIT.

VISION

To create competent technical professionals in Information Technology with ethical behaviour and environment conscious.

MISSION

- To provide an ambience which nurtures research ideas in futuristic domains of Information Technology.
- To direct faculties in research and consultancy / advisory roles.
- To provide contemporary and cutting-edge technical education in Information Technology.

DREAM BIG.

ABOUT ABIT

ABIT, (Association of Budding information Technocrats) is a departmental committee of Rajiv Gandhi Institute of Technology's Information Technology department. ABIT strives on producing "Talented minds, Diligent hearts", providing them a platform to develop and enhance various technical and soft skills, and excel in various fields.

VISION

To encourage innovation and research while instilling values and providing a vibrant environment for the holistic development of students into valuable global citizens.

MISSION

- To nurture technical skills, creativity and innovation while encouraging multidisciplinary interaction.
- To inculcate ethical behaviour, responsibility, and commitment among students.
- To ensure students to be capable of working effectively as an individual and in a team to complete various projects.

ABOUT THE THEME

“DREAM BIG ”

Inspired by the spirit of Marty Supreme, this year's theme “Dream Big” celebrates ambition, resilience, and bold thinking. Shark-A-Thon reflects this philosophy by giving innovators a platform to pitch transformative ideas to industry experts. Because every groundbreaking venture begins the same way “with someone daring to dream bigger”.

DREAM BIG.

WHAT IS SHARK-A-THON?

Shark-A-Thon is a high-stakes startup pitch competition where bold thinkers present their ideas to a panel of industry experts and investors.

Inspired by the spirit of Dream Big, this stage is where imagination meets opportunity.

Pitch your vision, challenge the sharks, and prove your idea deserves to become the next big success.

DREAM BIG.

GUIDELINES

ELIMINATION ROUND :

20 teams shortlisted through online registrations will be invited to present an overview of their idea/project through presentations to the panel. The time limit for the first pitch will be 5 minutes maximum.

FINAL ROUND :

Out of the 20 teams, 5 teams will be selected for the final round. In this round, the teams will pitch to the panelists their ideas in detail in a time frame of 10 minutes, where judges will ask detailed questions. The panelists will judge the teams in accordance with a point-based schema. Out of these, the top 3 ideas will receive cash prize , vouchers and more!
